

all hands on **OSCA**

photo donated by: ms. alexis bailey

One big family. Between takes of the 2022 Lip Dub, **Abraham Hernandez Teran '24** and the English as a Second Language (ESL) group show off their school pride. Not only did students don their blue and gold, but also their home country flags. Hernandez Teran, a student who moved from Mexico, said, "ESL is good and I am learning a lot. It's cool being with the other students."
