

TOGETHER we are

The Brotherhood The football team formed deep bonds during the second round of playoffs against Fossil Ridge. "We really came together as a team and as a family throughout the season, I mean these were the people I saw during, after, and outside of school regularly. They're my family," Kobe Euell (12) said. The boys came together as one, for their season and their school.

Redefining Family As the football team rallied together for their season, many of the players had to rethink what football meant to them. "I mean playing in your last season is always tough, but doing it with your family makes it all worth while," Jackson Gridley (12) said. The team made it to the second round of state playoffs.
