

ONCE UPON A TIME
Senior Katlynn Messersmith begins the theater production of "Into the Woods" with enthusiasm. Being the narrator, she had to ensure that she drew in the crowd from the very beginning.

EVERYTHING'S A COMPETITION
During the homecoming assembly, each class took it upon themselves to be better than the other, so while demonstrating the Fall season, seniors Marcus Maez and Rivaldo Franciso use their competitiveness to win in the sack race.

BEHIND THE PLATE
Sophomore Kasey Hillis waits for the batter to get set in the box and the pitcher to release the pitch during a home softball game.
