

Hayden Shawcroft

It's not the good byes that hurt but the flashbacks. I will forever love this team and strapping on the pads every Friday night. Thank you Moose football!

Damian Orozco

I played football here since the 4th grade and at first I hated it but it turned out to be the greatest thing for me. My last advice would be to play every moment like it's your last because it just might be.

Halle Phares

Football is an experience I will never forget. Through the highest highs and the lowest lows, I learned about myself, my teammates, and who I can count on to have my back. I wish I could kick one more PAT.

SAY CHEESE

The Alamosa football team take a group photo before leaving for one of their last games.

Marcus Maez

Dear football, thank you for everything you have done for me, you have taught me many lessons and gave me many memories with my brothers I will never forget. Thank you coaches and everyone who has supported me.

Chase Smith

A huge thank you to all my coaches, teammates and family who have continued to support me throughout my four years of football and I'm thankful for all the memories.

A memory that every student looks forward to in their high school careers are Friday night lights. Thanks to the amazing coaches, staff, and not to mention the dedicated football players, every student got to enjoy a very memorable season. Heading into the new season, the Mean Moose never felt stronger as a team. A huge change that was desperately needed after last year's season of trials. This year the Mean Moose had something to prove and they were dedicated to putting in the extra time and work to show to everyone that they were a new and improved team, who were not willing to back down without a fight. The team spent countless early mornings as well as hot afternoons this Summer working hard, together, to get back to playing with trust and confidence. Week one Alamosa faced off with the number two Ranked TCA Trojans for what can be considered a dogfight. The Mean Moose knew they would have to play top tier football right out of the gate, something they proved they can do with a one score game at halftime. However the Trojans during the third quarter advances proved too much for the Moose comeback. TCA would defeat Alamosa in the season opener. This did not show a promising start to their season, but this gave the team a feeling of loss that they knew they did not want to feel again and fought for their wins in their games to follow. Alamosa would then go on to win six of their next seven games improving to 6-2 on the season. Hungry for more and going into Lamar the team hoped to go to the playoffs 7-2. The Moose faced some hard calls against the savages and in a narrow 28-21 game the savages snuck away with the win; making some question if the moose would go to playoffs. However Alamosa did its job and won in the regular season, so playoffs came and the team headed to Delta Colorado to face the Panthers in the first round. The moose playoff trip resulted in a hard fought and heartbreaking loss to the Panthers on November seventh. New doors were opened for the Alamosa Football program this year for sure, the team hopes to continue to win and build on the strong foundation of these last couple of years. The mean Moose team performed a significantly successful season which brought all of the Alamosa community together in gathering on both cold and rainy Friday nights to cheer on and support their team.
