

# C.T.E.

Cash Mackie, '25

Ella Pendarvis, '24

AHS has the number one CTE program in the state of CO. Our school has a newspaper, a broadcast, and a news website. Students also have the opportunity to get their piloting licenses, learn to cook, and become educated in business. Students that take woodworking classes are able to be creative and build incredible projects. If you take a yoga class, you get to relax, stretch, and unwind. Pro Start allows students to enter the culinary profession and Aspen Mountain Guide School offers a variety of certifications for an outdoor life after high school.

Freshman Maeve Sheehan and Sophomore Ben Clark on their computers in business class.

Customer is allowed to have objects outside of the margin.
