Students describe their favorite spots at Monarch

## THE CUBBIES

"It's a big space but it's also kind of cozy because it's not out in the open."  
— James Bruinsma (9)

## THE HUB

"There's always an interesting conversation going on, especially if Reed's in the room."  
— Josie Furst (12)

## THE LIBRARY

"It does offer a very casual laid back atmosphere as opposed to hanging out in the hallways or in the courtyard."  
— Kae Bat-Itgel (10)

## THE CAFETERIA

"I don't know anybody else at lunch, so it's easy to sit with someone at least I know, and my brother's the best bet."  
— Maya Fox (11)

## PADDOCK'S ROOM

"People come to Paddock for advice, and I get to eavesdrop."  
— Maggie Merlino (12)

## THEATER HALL

"These are the people I connect with the most. They understand all of us. We're all just theatre kids. We are all on the same wavelength."  
— CJ Giseburt (11)
