

EARN the chance to SLIME your teacher

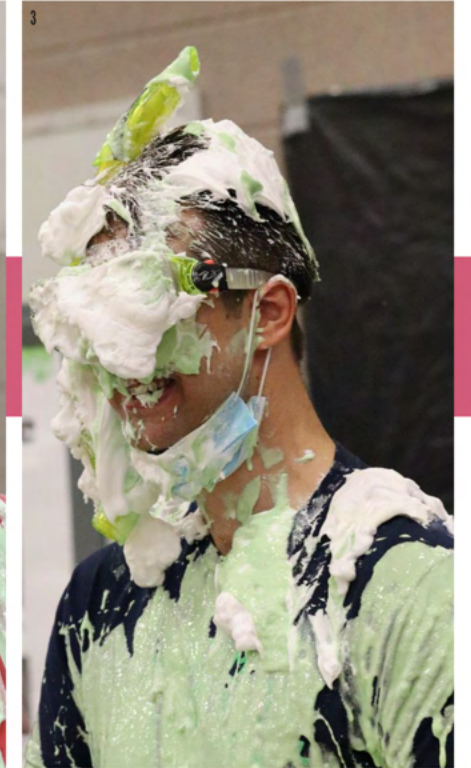

The exciting day that students slimed their teachers happened on November 12, 2021. We at Ranch View had this opportunity by raising money for our school fund raiser. The top five kids in each pod got to slime their teachers that everyone in the pod voted for. The fund raiser will help the school with things that we need for years to come.

"There are moments in your life when you stop and think 'Where did I go wrong and how did I get here?' This was one of them."

\$90,114

"I kinda felt brutally betrayed and like I knew I was going to have an eye doctor trip in the future."

-KATIE CUNNINGHAM, STAFF

"I felt stylish and gorgeous. That definitely was that ponchos last day."

-MIKE BULL, STAFF

"I was honored to be chosen as the 8 Arctic slime victim. It was a sticky, sludgy, and slippery good."

-JOHN SNYDER, STAFF

"It was not my most favorite thing. I followed through with it because I was nominated, but I definitely would skip next time."

-SARA DELOZIOR, STAFF

"It was funny and very fun. I would totally do it all over again."

DID YOU KNOW?

What did we use the fundraiser money for the school for?

"We played rocket league on the Apple TV's and it was a great time. I got my teammates hyped up after I scored a goal, it was lit."
DOMINIC FALBO, 08

"It will be more efficient and a lot easier when we have the new kilns because every time I use the kilns that we have had for 25 years, I have to unplug the old kiln and plug it back in, and do it again an hour later so the kiln will work properly."
MELISSA MCCUNE, STAFF

"Certain computers work very fast and I can get my work done and other's are dirty and hard to function. I think students would get their work done faster without rushing because there battery won't run out as fast and they would have better technology with the new computers."
MADLYN LANG, 07

"The ovens will make a big difference. They will help because they will make stuff faster and make the food faster."
CADE GAMMEL, 07

"We spent some of the money on calculators. The calculator helps me calculate my math equations and gets me to the right answer so these are important."
MYLIN WINDLEY, 08

"You could obviously tell they had used the same jerseys for volleyball and the other sports for a while so when we have the fresh new jerseys they are going to feel and be amazing."
EMILY NADERSERESHT, 07

"It will be quite a pleasure to have new books in the library to read, I am excited for all the options."
KAYSON PERKINS, 08
