DID YOU SEE THAT? While holding his spirit stick, Bryce Peterson '22 jumps up to celebrate next to Dylan Verbeek '22 in the front of the student section after Sean Wadsworth '22 makes a three-pointer shot against Prairie View High School in the Rivalry boys basketball game on Feb. 18. The Bulldogs lost to the Thunderhawks 62-72. "Win or lose, we will always support our Bulldogs. It is up to us seniors to step up and help build the spirit of the student section. There is nothing like being with everyone in the stands having fun and cheering on our team," Peterson said. photo by r.weidemann

CHEER ME ON. After scoring a point for the junior team, Brok Eddy '23 stops and screams toward the seniors in the championship game at the Homecoming Peach Fuzz volleyball match on Sept. 29. Each grade level had one team of boys to represent them and play in a double elimination bracket. The juniors ended up being the champions of Peach Fuzz after defeating the seniors 25-19. photo by r.weidemann

A WORK OF ART. Student Body President Andrea Donlucas '22 puts on a temporary Bulldog paw prints tattoo on the cheek of a young boy at her booth during the tailgate of the Superintendent's Cup Rivalry Football Game against Prairie View on Aug. 27. "A really big part of this year's goal for Student Government was to promote school and student spirit and bring back that feeling of being proud to be a Bulldog. With this game, we wanted to bring back that attitude of we're gonna win this game. This booth allowed us to start that process," Donlucas said. photo by j.ripko

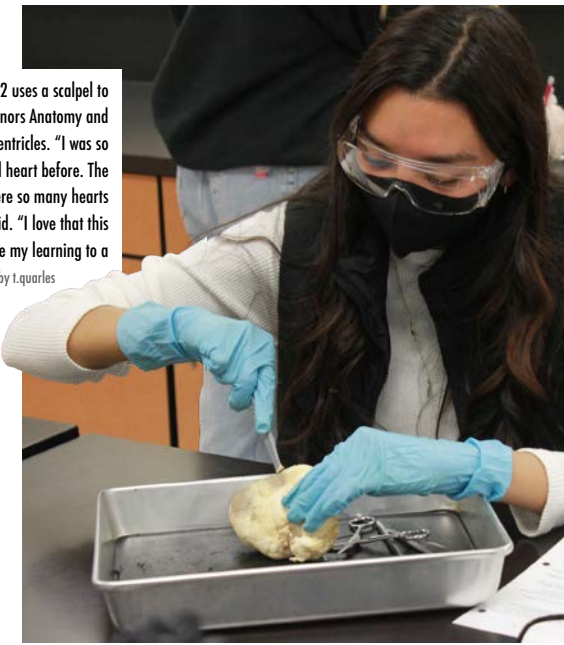

BROK EDDY '22

"Let's just say the juniors dominated Peach Fuzz this year. No one could stop us from taking the title of champions. All of us guys played freshman year together, so it was nice that we all came back together as juniors during Homecoming to show people how to play."

FOLLOW YOUR HEART. Ashley Cruz '22 uses a scalpel to cut into a sheep's heart in Aarika Capra's Honors Anatomy and Physiology class to identify the left and right ventricles. "I was so intrigued because I had never seen an actual heart before. The whole room smelled awful because there were so many hearts that were different shapes and sizes," Cruz said. "I love that this class gives me so many opportunities to take my learning to a whole new level." photo by i.queles

TIME CHECK: IT'S BEEN 93 DAYS AND 18 HOURS.

THE BLEACHERS AT BULLDOG STADIUM ARE FILLED FOR THE SUPERINTEDENT'S CUP RIVALRY GAME. WE'RE PUMPED. WE'RE READY.

JUST 3,600 OF OUR CLOSEST FRIENDS (AND CROSSTOWN RIVALS).

RIGHT NOW IT FEELS GREAT.

CLASSES ARE BACK IN PERSON. NO COHORTS. NO DISTANCE.

NOW WE CAN DISSECT THAT SHEEP'S HEART. BECOME PEACH FUZZ CHAMPS.

THIS IS BETTER THAN BEFORE. AT LEAST, WE THINK SO. DON'T

WHERE IS YOUR FAVORITE PLACE TO HANG OUT IN BRIGHTON?

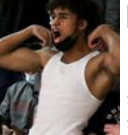

BRAYDEN NEISWENDER '23
"Lauer Krauts is my favorite place to hang out at in town. They have great food and everyone is so nice over there. It is one of the best spots to just grab a bite to eat and chill."

KYLEE GOFORTH '22
"The best place in my opinion is the Prairie Center. There are plenty of restaurants and stores to wander around in. There are just so many options that you can choose from, and it's still growing."

SHANNON LEWIS '24
"The different parks in town are peaceful, and it's a good place to go when you don't know where to go. I like to go there when I just need to hang out."

TYTAN SNYDER '22
"Personally, I don't really have a favorite place in Brighton. I prefer to just find an empty field around town and just relax there when I want to be alone or just hang out with my friends. It's just peaceful."

KEVIN DAY '24
"Target is my favorite place to hang out in Brighton over by the Prairie Center. It's fun to walk around and look at all the products that they sell."

KALEB QUAMMIE '23
"I like to chill at Walmart. They have so many different things to look at. It is somewhat relaxing to walk around the store and run into someone you know."

YULIYA POHORILA '22
"The best place in Brighton to hang out is at AMC Theatres because not only can you go see a movie, but there are plenty of other good things to do over there."

DAYANA MARTINEZ '24
