HOCO Parade

Angelina Olivas
—Staff Writer—

Homecoming was right around the corner and this year Alamosa High School Student-Council decided to continue on with the homecoming parade! This was the first year doing the parade since 2018-2019 school year.

Classes and clubs were asked to help participate in the parade. The participants of the parade were Freshmen, Sophomores, Juniors, and Seniors. As well as FFA and the homecoming royalty.

When interviewing student body president Whitney Thong a senior about the parade she said " Student Council decided we wanted a parade this year because we had more time to plan than usual and we haven't done a parade in a while (since 2018)".

She continued on saying "I would say our theme this year was what made it special. Everyone float was decked out which made it hard for the judges to decide who won. This was also the first year where they allowed us to drive the first place float on the track!".

The Alamosa Parade 22-23 was a hit at AHS. Decorating of each float was open to everyone which allowed more people to get involved.

Homecoming nominees rode on their classes float, making it more special to be nominated homecoming court!

Many are excited to see what the future holds for the homecoming parade, and to keep the tradition going.

Homecoming is a really big hit at AHS. This year student council met before school started in august to discuss potential themes.

Student Council decides the theme, decorates, fund raises and cleans up for homecoming.

As this is a big responsibility we started as soon as we could. The executive board met and narrowed it down to two theme.

When school started we had a student council meeting where everyone made the decision on AHS 22-23 homecoming theme. Under The Stars, aka space. Once it

was set and stone and approved by administrators. It was time to get AHS hyped.

We began to plan the assembly, bonfire, parade, games, hall decorating, and the dance itself.

Alamosa High School is a very competitive environment. During homecoming week we love to keep it a competition.

Each class is designated a hall which they will decorate according to the theme.

With the overall theme being space we decided each all will be a space movie. Freshman had the movie Buzz Light-year, sophomores had HOME, Juniors had Space Jam and Seniors had Star Wars.

After each class has time to decorate their hall there are certain teachers that will vote.

This year the seniors one taking their fourth win on the homecoming hall

decorating with juniors coming in a close second.

The homecoming pep rally is a time for fun and more games, this year there was dodge ball, slip-n-slide relay, and tug a war, because of how the games were set up it was a competition between each class.

This is most students favorite part of homecoming, everyone gets hype and cheers on their class.

The overall winners of the games were also the Seniors making them overall champs of homecoming week for 4 years in a row! Though there is not much of a prize, they will take the bragging rights.

Friday October 14, the football team took on Manitou Springs for the homecoming game. The student body filled the stands, and there was not one dull moment in the crowd. During the week, each day had

something every student could dress up as and enjoy, which gave them something to look forward too. This year, we had more people dress up and participate then previous years and overall a very successful homecoming week.

Presley Gonzales a sophomore said "The homecoming dance felt like a reward after the first quarter of school, it was fun to hangout and see everyone involved and having a good time". The homecoming dance was a huge success, a lot of the student body attended and it was a huge reliever for students and allowed them to let loose and enjoy themselves.

Homecoming allowed for students to make memories that will last forever. Seniors made the most of there last homecoming. Underclassmen are excited for future homecomings,

Homecoming was a good way to have fun! Students from different classes were nominated for homecoming court.

Starting with Freshman class. The freshman boy nominees were Tanner Quintana, Xavier Ramirez, Anthony Griego, and Victor Zepeda.

The girl nominees were Laci Christensen, Kiara Gallegos, Lola Sahdala, and Sara Kelly. Xavier Ramirez and Lola Sahdala won for freshman class.

For sophomore girl nominees it was Ruby Rockcastle, Raelee Alonzo, Gaby Castillo, Kaylee Gonzales, and Shae Jordan.

For sophomore boys it was Carlos Garcia, Milo Skinner, Landon Garcia, Tyler Dokson.

Milo Skinner and Ruby Rockcastle won for sophomore class.

Junior nominees for girls were Ava crowder, Jaymi Gile, Sienna Gallegos, and Jaquelyne Garcia.. The junior boys were Justin Vargas, Brock Benton, Rj Meis, and Micheal Motz. The winners for sophomore class was Brock Benton and Ava Crowder.

The freshman, sophomore, and junior winners were announced at the homecoming rally on Thursday the 13th.

For the seniors it was the top four girls chosen which were Annahi Molina, Whitney Thong, Kailyn Vigil, and Rebecca Workman. The top four boys were Issac Higareda, Jayr Almeida, Joshua Zepeda, and Harvey Rios.

At the Homecoming football game the freshmen, sophomore, and junior winners walked out onto the field during half time. As well as the

during half time. As well as the four senior girls and boys.

At the football game the Senior Queen and King were announced which was Whitney Thong and Issac Higareda.

There was also a Homecoming parade and all the winners sat on cars and went through the parade.

At Homecoming the King and Queen slow danced together in the middle of the gym, then everyone joined.

This was a great way to have fun with other students. Many people showed up and had a great time. Homecoming is a great memory for the books and when you look back at High School you can remember home coming and all the fun you had while you were there.

Thank you to student council and everybody for all the time and work that was put into homecoming week. We all had a great time and it was fun.
