THIS IS COLOR WARS

each class dressed up in a different color, roaring with spirit at the winter pep rally

The most exciting frame of February was the festivities of the Winter Pep rally. With performances from Littleton's very own band, Major Motion Picture, and a chance for the Unified Basketball team to showcase their skills, made for a successful rally. Unified was accompanied by their partners and dominated over the teacher team featuring Mr. Mathews, Senora Griffin, and Mr. Puchino. Led by student body president, Dylan Hoover, the seniors shouted in all shades of pink for the color war spirit day. Students cheered on selected members of each class when they played a real life

version of hungry hungry hippos using scooters and dodgeballs. Senior, Kenzie Pullar remarked, "I thought it was really exciting to see all of the different colors showcased throughout the entire North Gym. Pink is my favorite color, so I was very happy that the seniors were able to wear pink!" The energy going into the weekend of the winter dance was one to remember, as students smiled in the stands. This pep rally truly exhibited the thrill of being a part of the bigger Littleton community, and the growing school pride of LHS students and staff alike.
