

MARCH Battle of

LIP SYNC BATTLE! In this assembly, each pod was represented by a team that had to lip-sync to a song of their choice for a chance at winning back the spirit stick. To choose their team, each advisement from a pod competed and the favorite was chosen to perform in front of the school. There were many different kinds of songs and dances including heavy metal, comedy songs, and intricately choreographed moves. During this assembly, the whole school had a blast as they all cheered each other on while competing fiercely to prove who was the best. After the teams were scored by the panel of judges, a few students from each pod engaged in a game of "Simon Says" that provided the last few points in the assembly. The winning teams were Sir Galahad and King Arthur. Great job to all the pods for a very fun battle.

BABY, BABY, BABY OH! Evan Dann (7), Jacob Ness (7), Caleb Aguilar (7), Owen Riffie (7), and Cooper Leggette (7) were the 7th grade winning pod for the lip sync battle. They choose to do it because they thought it would be funny and fun. But, the boys did not expect to be chosen but are happy they did it. Their song was 'Baby' by Justin Bieber since they wanted a song everyone would know and enjoy. While preparing for the battle; they stated that "Figuring out the dance was the hardest since they didn't know what dances to do. Overall, they had a lot of fun and are glad they did it; their favorite part being the crowd.

STICKING WITH THE CLASSICS. Logan Greer (8) was the winner for 8th grade in the lip-sync battle. The reason he did it because he loves to dance, and enjoys to do the floss where you cross your arms across your body. Additionally, his friends also encouraged him to complete and promised to vote for him when he competed against his pod. He chose the Perry the Platypus theme song because he loves the character since he's a secret agent. He says, "I really loved doing it," The crowd and the judges loved the performance and many clapped and cheered Logan on.
