# EXPECT TO DOMINATE

## ODYSSEY STUDENTS PLAY FOR OTHER SCHOOLS IN THEIR SPORT OF CHOICE

Athletes are always pushing and challenging themselves. Those at Odyssey add academics and transportation to their challenge list. Our athletes are taking advanced classes as well as college classes, along with trying to keep a training and competition schedule for their sport.

The students were able to compete in a variety of sports and some even competed in multiple seasons throughout the year. Each student maintained the focus as well as the determination to reach their goals in and out of the classrooms.

LEFT Aiden Bennett (10) remains focused on the goal after throwing the ball in from the sidelines of the soccer field.

LEFT Eva Courtney (9) Eva had the opportunity to cheer for the Doherty High School teams throughout the year.

## WHAT DO YOU THINK?

Athletes will often play a sport because they are good at it. However, Odyssey athletes play their sport for many reasons.

The challenge they face, in addition to the sport itself, includes transportation and scheduling at a school outside of their high school.

**Robert Turman (9)**  
"I feel like playing sports is good for my health and I have a passion for it. I hope to play soccer professionally overseas."

**Dehzi Davila (10)**  
"I love wrestling. It is a lot of fun and a lot of hard work. There is a lot of emotion."

**Anjaloe Morasky Vigil (10)**  
"Sports help me maintain all around physical and mental health. I hope to continue sports throughout my lifetime career."

**Zen Groves (10)**  
"I enjoy the game of Football in general. The team is like a brotherhood that grows over time. You can trust the other players."
