RIGHT The security team at Wasson is one of the most visible parts of life as an Odyssey student. From welcoming us into the building, talking to us, or cracking jokes, every student found a friend in our security staff. They were always ready to help a student whether by helping students get home or guiding them as they deal with a challenge on campus. Our security staff is one of the resources where our motto truly shines on campus.

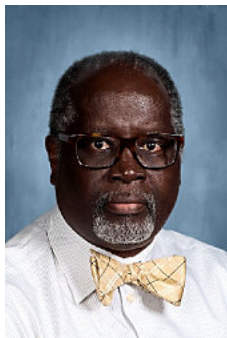

STAFF

PRESENT STAFF MEMBERS 2022-2023

Each one of Odyssey ECCO's highly qualified staff members show RISE. We constantly saw them reaching for new heights to learn, teach, and love our community. No challenge was too small, or too big, staff always reached out and lent a helping hand to our students and fellow staff members. Every staff member was willing to help students learn and grow.

ADDITIONAL INSTRUCTORS

In conjunction with our partner colleges, Odyssey offered a plethora of college, college prep, and high school courses. Without the instructors from our partner colleges, Odyssey wouldn't be Odyssey. We would not have been able to offer so many college level classes.

Another part of Odyssey is Wasson's library staff who have stepped in to help with class instruction and club supervision. Without our library and its staff, students would not have a safe space to study, gather, and socialize
