Sweet 16, Sweet Ride

Many sophomore's Celebrated the New Freedom from their Drivers License

Turning 16, an age most people count down to. Many sophomores were excited for obtaining the freedom that comes with a drivers license.

"There is a lot of freedom. I can go wherever, whenever I want as long as my parents say it's 'ok'," I can hang out with friends, I can go to the gym so I think there is a lot of freedom and it feels like my life is better," **Coleson Holtman (10)**.

However, getting this freedom, is not free or easy.

"The 50 hours of driving (was difficult) because I was very scared about driving in the snow when I got my permit," **Brooklyn Stevens (10)**

1. **Coleson Holtman (10)** was excited to drive with his new license.

A Whole New View

Shifting one world away

The difference between freshman and sophomore feels like two different environments in the same school.

“Sophomores are expected to do their work and expected to behave a certain way rather freshman's just have to feel comfortable entering high school,” **Marley Garcia (10)** said.

Sophomores feel the pressure of having to go through change within one school year. Although both grades are considered underclassmen, the difference can feel stressful. According to **Lina Azlou (10)**, the real work starts sophomore year.

“Sophomore year is better because you get to take everything more seriously and focus on the work you have to get done instead of messing around so much,” Azlou said.

Changing in a year is a hard thing to do but sophomores feel as though they have to grow due to the expectations.

“Teachers are more chill this year because they give me more responsible freedom like they understand I’m older,” **Donovan Vernon (10)** said.

1. **Luciana Sekrieh (10), Jad Housse (10), Fahad Al Taie (10)** and **Broden Guinn (10)** come to cheer on the football team as they play Smoky Hill High School.
 3. **Savannah Adams (10), Arin Hebert (10), Allison Bidlingmaier (10),** and **Hope Breen (10)** show their support to the girls volleyball program by walking in the homecoming parade.
