

FINAL

One. More. Class. *It's about time!*

We scroll through TikTok trying to kill time, as Stu-Co members paint posters in the hallways, and softball players dip out early for practice. *Take us with you...*

It's 2:45 now. Eyes are glued to the clock, but the bell isn't ringing. *Ummmm... Hello??*

These extra five minutes might as well be five hours. *Any minute now...*

And then it hits us — this is life every day for the next year. We have to think ...

WHY

is this really

HAPPENING?
