

Do you think you remember us from somewhere? Maybe because we are the boys basketball team who played at Ball Arena. Maybe because we are the wrestling team where Nate Sandy, 11, and Juan Diaz, 12, took fourth and fifth respectively at state.

But we are only all these things because of coaches like Nick Rider and Zach Mihalicz. The community that we have as athletes.

"We are all super hyped after every win so it's a lot of fun to be around."
