

# This is US

Ask most adults what they think of middle-schoolers and they think of the stereotypes. They'd use words like "difficult," "obnoxious," and "lazy." But that's not us.

Euclid's students and staff -- all 700+ of us -- are diverse individuals who come together to form a community, with all its ups and downs. We have a message for the world about who we really are and what we do.

We **speak out** and **show up** by writing narratives and informational pieces in language arts.

We **support** our community by running the Stride and donating to The Backpack Society.

We **create** models and 3D designs.

We **show** respect, excellence, acceptance, and leadership by earning Falcon Feathers.

We are **spirited** by dressing up for spirit week and playing California kickball in P.E.

We **set** records in track and **entertain** on stage in orchestra, band and choir concerts.

Who does this everyday? *Us. That's Who.*

We are confident, but not cocky. We are the best, and we prove it everyday.

Who are the Falcons, forever? *Us. That's Who.*

**SHINE BRIGHT** Performing in the fall play, Tegan Reitsema, 07, plays Ms. Whatsit in *A Wrinkle in Time* in November. "There were a lot of good moments. I loved being backstage with my castmates waiting to go on. It was nice to be in a group and say "good job," said Kai DeVries, 08, who played Ms. Which. Photo by Maddie Ryan
