

**JUST LIKE WE SAID** there are so many things in AHS that just do not make sense. There are lots of ways that make this school come together as one. Even though there are many cliques throughout the school, kids come together and hangout in many places that do not make sense to other people. For the students of AHS, it makes them come together and grow as a community.

**BETTER TOGETHER**

**IN OUR COMMUNITY**

**WE CAN'T DESCRIBE** why hanging out at sonic and the high school parking lots are a atypical Friday night.
