

ITS JUST US

We struggle to find the words to describe our school, because the only way to truly understand is a first hand experience. You have to be screaming in the rowdy crowd, watching the sun over the mountains, and eating in the parking lot. You have to feel AHS. The excitement, the comfort, the sadness, the support, all just made stronger by our tight-knit community. Sitting in the parking lot is fun, because you are with your favorite people. The rowdy crowd is so crazy because we are all together as one. What makes AHS what it is are the students. The simplest way we can put it,

IT'S JUST US.

Alamosa being a small town means that we play, work, learn, and live our lives together. Students are just classmates, they are friends, family, and supporters. We need each other, and that is **WHAT MAKES US WHO WE ARE.**
