

Do you feel like you've heard of the Titans? Maybe because we are the Unified team that beat the Parker Police Department for the sixth time in a row. Maybe because we are the school that won the most awards in the district at the Scholastics Art and Writing competition, the largest show of the year. Maybe because we are the Thescon 2022 Tech Challenge Champions,

But we are only all these things because of the culture and appreciation we feel. The community that we have as members of the Legend family.

"Every time we get to perform it's rewarding to see how our practice pays off."
