# LIVIN' LIFE

Every day students get up to go to school, and it's just kinda blah. Same thing day after day. But it's more than that for Euclid Falcons. Students laugh with their friends at lunch and cheer for their fellow Falcons at games after school. They soak teachers in annual Flush 'Em. WEB leaders help the newest students and NJHS members organize fund-raisers. The Euclid family lives life to the fullest whether it's in the classrooms, in the halls, after school at clubs and sports. Even when their time at Euclid is over, Falcons will remember living the good life of their middle school years.
