

Alex Schlosser about to ring the bell and celebrate his exciting commitment to his dream college, Vanderbilt University. He plans to major in Human Organizational Development.

“I'm so excited to explore new opportunities in a school with so many people and be able to build new experiences in a different place.”

-Dylan Vetter

Morgan Knieper is planning on pursuing a college education in Bioengineering. He hopes to expand his horizon in bio sciences to help reach the edge of our understanding of molecular biology. He wants to research cancer and other life altering diseases in order to help find cures.

Jason Dobbins plans to take a gap year in order to work and earn enough money to purchase an RV. He then wants to drive to Pennsylvania where he will attend Penn State for the 2024/25 school year. Jason has an organized plan and he is excited to take on life after high school.
