# MAKING A MARK

Trapper Dietz (7th, Polar) is a class clown at Mesa. During his free time he likes to make friends laugh and play football. "I play football because it makes me feel cool and I like balls," Dietz said sarcastically. When asked why he considers himself a social person Dietz stated, "I'm a very social person because I'm a class clown." When not with friends or talking with teachers, Dietz loves to listen to music or sleep. "I like to listen to music and take naps. I mainly listen to rap," Dietz said. When students around Mesa were asked about Dietz most said he was cool and really fun to talk to. "He's super friendly to everybody and super funny," Akyra Reichold (8th, Grizzly) said. The name Trapper is a nickname for an impish trouble maker, Trapper really does live up to his name.
