

The Doherty Varsity Hockey team's season started with a bang in late November and ended in mid- February. Because arranging ice times can be quite tricky, the start time of the games ranged from 1:00 in the afternoon to 8:30 in the evening, with practice times all over the place as well. Their first win happened during an away game against Woodland Park with a high score of 7 to 1 on December 17th. The highest scoring athletes of that game were junior Jack Dryman with three goals, senior Easton St Pierre with two goals, and both sophomore Boein Miller and junior Cavan Moehring getting one goal each. It ended up being the second highest scoring game of the season. "My favorite part of hockey is probably how much fun it is and I play hockey because it has been part of my life since I was born," said junior Cavan Moehring. They then went on to win their next game with a similar score of 6 to 1 against Pueblo County. One of the star players of that game was senior goalie Spencer Lehmkuhl who saved 18 shots on goal. "I like being on the hockey team because I have always liked hockey since I was little and I like the community it provides," he said. The team beat Woodland Park every time they faced off against one another. The same can be said for Pueblo County and Air Academy. The

team won two home games and four away games for a total of six wins this season. Senior Robert Neppel had this to say about his experience on the team. "I'm a forward, it's really relaxing being on the ice, and it's good for my school and a fun activity to be in." The first game the team played was against Pine Creek back on the 29th of November. One of the goal tenders present during that game was junior Tanner Boone who was in goal for 20 minutes. Another game that went well for the team was a home game at Sertich against Air Academy in the middle of February. The score ended up being 8 to 4 with five players getting goals in all periods. The most successful player was Boein Miller with three goals. Senior Easton St Pierre got two goals that evening, and the others that scored were juniors Brayden Bailey and Jack Dryman and sophomore Andrew Smith. Out of the opposing 22 shots on goal, senior Spencer Lehmkuhl was able to save 18 of them. It was the highest scoring game for their season. The team only ended up going into overtime once all season and won the game. They ended 5th in the league, just four wins behind Standley Lake with a 0.333 overall winning percentage. The hockey team won their last game, but missed the playoffs.
