SPEEDING AWAY While dressed his best, Dillon Schaefferkoetter (9) raced on the Go-Karts at the Winter Ball on Feb. 11. Games enhanced the night beyond the traditional dance floor. Schaefferkoetter loved competing against his friends. "I was pedaling, going fast, and I turned a corner and threw a drift," Schaefferkoetter said. "It was so sick."

Q & A

What was the best part of the pep assembly?

Owen Mellish (11)
"I got double teamed, but I still got one person off and then I got bumped off on top of that person."

Micah Hall (11)
"My favorite part was getting some kid out with a nasty curveball. I hit that kid in the face and nobody noticed, but he's okay. My team won because we had an obvious advantage over the underclassmen."

Riley Braun (12)
"When getting wrapped in the toilet paper, I couldn't see anything, so I had no idea what was going on. I was swallowing the toilet paper."
