

# LIGHT IT UP

Every year AHS student council puts on a bonfire to kick off the homecoming spirit week. The homecoming bonfire has very high attendance, where you can find guests from not only Alamosa High School, but other valley schools. The bonfire has some activities such as cornhole; and food, and hot drinks are also provided. Every year there are speeches from extracurricular activities to talk about progress and accomplishments. Though we don't know why our school has such a big turn out and is popular amongst other valley schools, it is a great after school activity that promotes AHS's homecoming. The bonfire is a great way to make core high school memories and take everlasting pictures. It is truly an experience that brings all of the students together, and promotes the celebration of the individuals at AHS.

## SPEAKING UP

At every Homecoming bonfire extracurricular clubs talk, these include, Theatre, Softball, Gymnastics, Volleyball, Boys Cross Country, Boys Soccer, Minds in Shape, Knowledge Bowl, Football, Girls Cross Country and Military Club.
