

TELL US ABOUT YOU I'm in Eco Club because I'm really passionate about seeing change in the world.

Giavonna Agostinelli-Brown (11)

Every summer I go to California with my mom and sisters just to see my extended family. I'll go to the beach there but I mostly just hang out, and it's a lot of fun.

Vanessa Meyer (9)

Everything I do has a meaning. Like, I'm not just skating to skate. I used it as an escape when I was younger. My family had some troubles, and we weren't as close as before.

Sean Crawford (9)

if YOU knew ME YOU'D know...

I've danced since I was 18 months old. Now I dance competitively and recently I won a scholarship for doing well at competition at a place called Hollywood Vibe.

Kenna Semanik (10)

I love working on cars. It's how my hobby started. Working on cars made me want to learn more about them. I mostly work on my family's cars, but I've worked on a variety.

Reebesh Sharma (10)

I'm obsessed with Red Dead Redemption 2. I really like the cowboy aesthetics. It's pretty, and the development of Arthur Morgan throughout the story is beautiful.

Ainsley Coogan (11)

I'm a tech for theater. I did a little bit of acting and singing, but after not getting a role last year, I realized that I love tech. You can sit back and just know you did a good job after a show.

Ethan Tate (11)

I want to move to England and work for Aston Martin. They throw a huge event based on the skills of mechanics, and it gives unlimited ability to build any car you like.

Gavin Cooper (12)

I'm a bassist in a metal band called Crota. Our most popular song is called 'Retrospect.' It's about looking back at your mistakes and wrong doings and being regretful.
