Born to be a Star

Made for the Stage

Alexander Hill is a proud part of the drama class here at Castle Rock Middle School. He has such a love for acting and he wants to be a professional actor in the future. Alexander would surely recommend drama class as an elective to any upcoming eighth grader. Alexander says that his favorite part of drama class is being able to play games while learning valuable improvising skills at the same time.

Raise the Curtains

Isabella Carver loves being on the stage and all together loves drama class with Mrs. Kaufman. She enjoys the games, improvising and the class overall. She would join drama class again without a doubt. "Any upcoming eighth graders should totally join drama next year, it's super fun!" Carver said.
