

Seniors Mason Laos and Cole Newman watch as a basketball player misses a free throw at the boys CVDC basketball game on Friday, January 26. This was the first of a long string of missed free throws at the end of the game, ultimately causing CV to lose the game.

DEAR READERS,

It's a new year and a new semester Sabercats, and that means we are over halfway through the school year.

This year has contained many ups and downs so far, at least for most of us, but there are many things to look forward to. This time of year is when things can get rough with SATs coming up, finals, and new classes to adjust ourselves to.

However, with this new year also comes the most memorable high school memories. School dances, sports games, MAD Week, and even soon enough for some of us, graduation. February is a significant month due to the fact that it contains one of the most admired things about the year -- Make-A-Difference (MAD) Week.

For us this year, our charity is There With Care. Providing services to families and children in crises is an amazing opportunity to make a difference and show our compassion as a school -- and we need to show up. Highlighting MAD Week and school spirit, we as staff strive to provide coverage on the most important events that make our school what it is.

As readers, I wish for you to give the rest of the year your all, and take into consideration the many

new opportunities that are in store for you and coming around the corner. With this, I wish for you to persevere through this semester, keeping in mind that you are what makes Castle View, Castle View. With hardships and struggle come growth, and we need that to allow ourselves to be undeniably who we are. Show up for the school, give it your all- and most importantly, make 2024 the best year yet.

I hope this edition finds you well, and that you enjoy the many surprises we have stored in the pages of this paper.

We have worked hard in crafting this issue, much like any other, and are beyond excited to share it with you. Stay cool, and read on, cats.

THERE IS NO VIEW WITHOUT YOU,

Lily Steinbrunner, EIC
