what it's like being
**DAVID
MAXWELL**

IT'S LIKE... "My life is very chaotic. There is a lot of pink in my house. It's like living in Disney channel. I did sailing lessons over the summer, so I'm going to be sailing-certified, meaning that I can legally captain a boat in North America. Sailing has always interested me, so I began sailing because, you know, it's just something you have to experience. I get bored. I always gotta be doing something. I have a really fun fake job. I run photo booths and take a lot of photos of myself. I also won a pottery show. That's pretty wacky. I also did a dog fashion show. I was not a dog in the fashion show, I carried the dog, and I had to wear jeans, which was traumatic. That was my first fashion show, and I had a lot of fun. I think I do something if I know it's gonna make a funny story. That's the parameters."

...YEAH!
