**THE YELLOW YEAR:** Geared in the signature sophomore color, Lucy Medina '26 sings the sophomore Showdown chant. All four classes competed in the chant, creating a new one each year. "We were in the front so we had to be super hype," Medina said. "It was so much fun."

**FOUR FOR FOUR:** Smirking at the camera, Tyler Thornton '26 holds up a four on his fingers. "I really like the flexibility my position has, you get to see everything," Thornton said. **WONDERFUL WOODWIND:** Jonathan Dobosz '26 blows into the alto saxophone during a band rehearsal. "My dad played it, so it's a personal thing to me," Dobosz said. **CRAFTY CLASS:** Hailey LaValley '26 cuts up a piece of paper in Earth and Environmental Science. "We learn about rocks and minerals and the planet," LaValley said.
