At the Avalanche Havoc Triple Crown volleyball tournament in Windsor, CO, Dec. 16 - 17, Maggie Weiss (8) sets a volleyball during a game that her team won. She plays on the Spikes U 14 2 team. There were 6 teams competing in Weiss' bracket, and the Spikes U 14 2 won it all.

Weiss has been playing volleyball for a year and it is her top sport. Her favorite things about volleyball are the friendships that she makes. "When you have friends it makes sports more fun," Weiss said. She also really enjoys digging hard volleyballs. "When you get a perfect pass to the setter and when it's a harder ball to get up and you get it up, it's a really good feeling," Weiss said.
