Tereza likes Cross Country so much she has been doing it since she was five years old! She is excited to do Cross Country next year and lead her team to victory. She says that Cross Country isn't that hard for her because she has all of her friends to make running feel easy, and that's her favorite part. Cross Country has improved her running skills and capabilities tremendously.

That One Goal

Shaw played right wing on the soccer team. His favorite one was the last game of the season because they tied and it was a good competitive game.

Sydney was our goal keeper for the team. Her favorite thing about soccer was saving goals. She joined soccer because it is her favorite sport.

Eddie was a star defender for the team. He joined because he thought it would be fun.

We Play Daily
You Play Weakly

The Sunset Volleyball team has improved so much throughout the season. They practiced every day after school to improve their technique and skill. By the end of the season they had improved their team work and communication so much.

7 Minutes With Dayana

Volleyball has impacted Dayana in many different ways. She has built strong friendships and has been able to communicate with the team very well. Her favorite game was the home game against Thunder Valley. Even though they lost, she thought that the team had communicated really well and tried as hard as they could. Dayana started volleyball in 7th grade because her friend encouraged her to join, and after one season she had fallen in love with the sport. She is planning on playing club volleyball in high school and continuing her career as an athlete.

Fútbol Afternoons

Luis plays soccer for a club outside of school, but he wanted to play soccer for the school to be with his friends. He played center midfielder, and his favorite thing was the snacks that his teammates Ryder and Jacob brought after all of the games.

Zach played left back which is a defender, his favorite game was the second game because he was defending really well. His favorite thing about soccer is that it is a competitive sport.
