RISE TO LEARN//

Keira Gregg, 11, with guest speaker of graphic design John Mark Rantal. This guest speaker came in to the Adobe Illustrator Class to help with an industry sponsored project, where students made their own personal logo that was then engraved on a sketchbook for them.

TOP:

Eva Conner, 10, taking an ASE Certification test at the Skills USA competition held in February.

MIDDLE:

Odyssey's Business Ethics club attending a competition. Here we have Maryah Brutus, 11, Jonah Chandler, 11, Apollo Coker, 10, Kathleen Holmes, 9, Bishop Owens, 12, Keira Potter, 10, Josiah Ruiz, 9, Aiden Smith, 12, and Benjamin Trumbly, 10.

BOTTOM:

[Left to Right] Eva Conner, 10, Kennadie Rowlett, 10, and Paradise Hamilton, 10, at an Automotive Skills USA competition. This was Odyssey's automotive programs first time at a competition!

career pathways

Career Pathways were a collection of courses offered on the Roy J. Wasson Campus by Odyssey ECCO for the entirety of District 11. These courses were required to fulfill certain graduation requirements, and also were a chance for students, both of Odyssey and not, to supplement and enhance their knowledge, experience, and skills in various fields of employment, such as automotive and education.
