

**I'M HERE.** According to Atlas Turner, the best way to demonstrate kindness is being present. "[I show kindness by] trying to help when I can and being there," Turner said. Turner's favorite part of coming to school was the art classes, where a supportive community was always easy to find. *Photo by N. Gokidi.*

we're  
**DETERMINED**

to weave ourselves into the  
different things *we love*  
Monday through Thursday  
you're an **IB scholar**, but you  
wear your **jersey** to school  
on Friday.

we're  
**DEDICATED**  
to seeing the bigger picture  
*and being part of it.*

Proudly wearing a  
**Be Kind.** shirt, because  
unified basketball is *more*  
than just a game,  
*(it's a dance party too).*
