When you flip through this yearbook, you **REWIND** the year. You remember when you showed your spirit on spirit days. Sang your heart out with the choir. Handed out candy at Trick-or-Treat Street. Boogied with your classmates at the dances. Showed your appreciation for your best friend on Valentine's Day. Some parts you might want to **SKIP** through, like bad hairstyles, or cringe outfits. Some parts you might want to **FAST-FORWARD**, like when you forgot your lines in the play, or lost a game to our rivals. But when you **PAUSE**..and remember the fun you had with your friends or what you learned, you may press **PLAY** or even **REWIND** the wonderful year of 2023 - 2024.
