Handing out the win! Mr. Veit was happy to give the spirit stick! Seeing everyone try their best to win it for their pod is what it's all about. During the October assembly, everybody tried their best but Sir Ector (8) and Sir Galahad (7) came for the win!

Working hard! Working with two sports and school can be hard sometimes, but Harmony Lechon(7) does it all! She does softball and gymnastics. She works hard on school work, but also makes time with her friends!

Bring it on! Ms. Poole is ready for another year! She is pumped to be helping her eighth graders learn something new everyday. Her enthusiasm fills the classroom, and she is working hard to make science as fun as possible.
