WHERE DOES IT START?

it starts when the **ALARM CLOCK** rings
 when the **BIRDS** in the morning begin to sing
 it starts when **TEACHERS** come to make a way
 when the **FRESHMEN** begin their very first day
 it starts when the **SOPHOMORES** come back to their friends
 when students start to participate in new **TRENDS**
 it starts when the **JUNIORS** take on heavy loads
 when changes in the **WEATHER** now start to show
 it starts when the **SENIORS** leave their last trace
 when the **DAD JOKES** in the morning put a smile on your face
 it starts with the **NERVES** of beginning new sports
 when students wish each school day was **SHORT**
 it starts when the **STUDENT BODY** is unified
 when we're filled with our **JAGUAR PRIDE**
 for it's **HERE** at school where everything starts
FRIENDSHIPS and **MEMORIES** that strike our **HEARTS**
IT STARTS HERE

WE ARE...

the people of **JA**
 we wait until **SCHOOL ENDS** in May
 we make it chemically possible to
 light our **HANDS ON FIRE**
 we dress up head to toe in **SPIRIT
 WEEK ATTIRE**
 we are on constant journeys to get
7-ELEVEN SNACKS
 we react loudly as the **TRAIN
 ZOOMS** on the tracks
 we wake up extra early for our
FIRST PERIOD classes
 we try to study all our **SUBJECTS** as
 time quickly passes
 we **OBSERVE** creativity as we pass
 through the **ART WING**
 we listen to the **FRIDAY KARAOKE**
 students as they sing
 we **PLAY** for our school so we land
 on **TOP**
 we **COUNT DOWN** the minutes
 shown on the clock
 for at the end of the day,
 we are the **PEOPLE OF JA**

IT STARTS...

when the last **SPLASH** is
made in the pool,
when **ICE CREAM** becomes
too cool,
when **CLOUDY DAYS** greet
you as the **WARM SUN** flares,
when each day brings a cold
CRISP to the **AIR**,
when the first **LEAVES** begin
to change their **COLORS**,
when the **PUMPKIN PATCH**
provides **FUN** for others,
when the sounds of
CRUNCHING leaves reach
your ears,
when the **PUMPKIN SPICE**
LATTE reappears,
when it becomes **SWEATER**
WEATHER,
when **FAMILIES** gather
together,
when the **SPOOKY SEASON**
gives thrill to all,
it all starts when
SUMMER turns to **FALL**

IT CONTINUES...

when the first **SNOWFLAKES** begin
to fall

when the snow is perfect for a
SNOWBALL

when you drink **EGGNOG** and lick
CANDY CANES

when building **GINGERBREAD
HOUSES** begin to drive you insane
when you receive a five a.m. phone
call informing you of a **SNOW DAY**

when you watch the **HALLMARK
MOVIE STARS** ride in a red sleigh

when the steaming **HOT
CHOCOLATE** is consumed at an
alarming rate

when **FROSTY TEMPERATURES**
freeze the roads making you late
when weekends are spent hurling

down a **MOUNTAIN SIDE**

when you can feel the stress of
STUDYING school wide

when the **WARM COOKIES** you
bake turn out a little bitter

it all continues when **FALL**
turns to **WINTER**

IT ENDS...

when the **SUN** starts to show
 when **FLOWERS** start to grow
 when spring **SPORTS** begin
 when excitement for **SUMMER**
 starts to show within
 when **PROM** becomes the talk
 of the town
 when word about **YEARBOOK**
DISTRIBUTION gets around
 when the smell of spring
WEATHER reaches your nose
 when students start to wear
 summer **CLOTHES**
 when **POOLS** start to finally
 reopen
 when students start to feel end of
 the year **EMOTIONS**
 when peers start the **FINAL**
EXAM study climb
 when seniors say **GOODBYE** for
 the last time
 for it's here where created
MEMORIES ring
 when **WINTER** truly
 turns into **SPRING**
