

When it feels like we just can't go anymore, it's the relief of seeing your friends when you walk into the building. Glad we **all** have our boston clogs on!

Everybody seems to be tired by 10. This time change is the **worst.**

Putting in airpods before 3rd period is a **life saver.**

Drake and SZA get us through the day.

A snow day the day before spring break! Never mind that, the **sun** came out.
