

We'll be at club volleyball tonight, meet at the middle school! Afterwards let's go watch Monte play Del Norte at 7. Who are you **cheering** for?

Oh wait! I forgot my. I guess you guys will have to go without me. **everyone's** there?
Okay I'll reschedule.

Prom's only 2 weeks away, I better find a date and fast.

Time is always running out, it's

every
little
thing

that keeps us going.
