literally praying for a **snow day**
burning our tongues on coffee from **the PERK** on **Tuesday**
mornings when it's actually so cold

hiding from the **security** guards while we wander
A Hall during lunch

watching **Inaki** dance to "Y.M.C.A." next to Tolbert's
speaker on Friday
HIGHKEY such a bop

it's like **KINDNESS** slips being passed around by **DECA**
it's like singing *valentines* from **Chamber Choir**
it's like how no one knows what the "*bungalow*"
actually is

'cuz we're **MONARCH**

it's like...

DEADASS we ATE.

we pulled all nighters to finish one of **Mrs. Cawfield's**
20 page essays
like, are you fr?

we **braved a blizzard** just to watch opening night of **MATILDA**
we snuck out of class to pet Greta in the counseling office
we **laughed out loud** when **Dominic Spacone** got mad

it's **like** passing period *traffic* jams on **B Hall** stairs
like, is **walking** really this hard?

it's **like** how the **SILENT DISCO** was *literally*
100 degrees
like, **seriously?**

it's like **seniors** *throwing* their homework off the
B hall balconies

it's like teachers **CRYING** during the **GAUNTLET**

it's like that *rush* we got when we high fived **MIGHTY MO**

we're **MONARCH**

it's like...
