

HERE

we might not be able to
pick out **EVERY FACE**
in the shoulder to shoulder

traffic by the

BRIDGE DOORS,

BUT YOU KNOW

the *name* of the kid who
sits by you in **PSYCH** you

saw it on their nametag
when they handed you

your drink in the

CHICK-FIL-A drive-thru.

YOU KNOW

who owns the

big, loud, truck.

You watched him saw off

his muffler then go do

BURNOUTS in the lower lot

this summer.

The tire marks are still there

in the spot you parked

this morning.
