We are just too good.

Good at dunking on Powell.
Good at making the Honor Roll.
Good at coding and inventing in TSA.
Good at helping our friends when things just seem hard.
Good at racing down the hall on French toast day.
Good at fire drills – we have to be because there are so many of them.
Good at earning our Feathers – from 1 and 2 in 6th grade to 6 and 7 in 8th grade.
Good at hurdling and sprinting.
Good at singing our hearts out.
We’re good when there’s the chance to soak Mr. Clous in Flush ‘em and make our teachers wear a turkey costume.
We – the Euclid Falcons of 2023-24 - are too good at so many things. And we excel with pride.

We are *too good to be forgotten.*

"I played this snowball game where you throw the snowball into the cup. It was so fun to play with my friends. I won and played it three different times to get a prize which was massive sunglasses."
- Calvin Endyk, 06

TIME TO PARTY At the 6th-grade Leap Day party, Calvin Endyk tosses a fake snowball attempting to get it into a cup to win against his friends.

We are just too good.

This year was our chance to leave a mark on Euclid. The stories and records in this book prove just how good we were. Falcons of 2023-24 weren't just good, we were great. Hundreds of Be REALS prove we are good to our classmates and friends. Dozens of students earned Honor Roll certificates. Nearly 50 8th graders were honored at the first leadership banquet. Thirteen Technology Student Association members made it to Nationals. The Euclid Unified team went undefeated. Three stunning musicians were accepted into the CU Honor Band. Seven National History Day projects - created by 15 students - went to the state competition. Stands at every game, match and meet were packed at drama performances. As Falcons, we made our school environment a better community, showing we're stronger together.

We - the Euclid Falcons of 2023-24 - are too good at so many things.

We are....
