"I was thinking this was pretty cool. It was fun to be a part of, stuff that the school wanted us to be a part of, so it was fun that they included me in that, I thought that was pretty cool." photo by tazlynn prigge

LIBERTY STUDENTS AND STAFF TAKE SCHOOL SPIRIT TO THE NEXT LEVEL

**N**OW LET EVERYBODY DO IT! The Liberty student section is full of laughter, screaming, memories, and spirit. Students, staff, and families come together at every event to show their support. Not only do the students chant cheers but the staff joins in to make it a school wide experience.

"I like the student section because yelling chants while everyone is dressed up is such a Liberty High School experience and it creates such a good environment," **Mckenna Newton** <sup>10</sup> said.

"I feel great about this school,"

**Jayden-Anthony Hill** <sup>12</sup> said. "I feel like most people at this school act like they don't like the cheesy spirit events, but in actuality - they would rather be nowhere else. I would rather be nowhere else but Liberty High School. I think no matter what, if we win or lose the games, we're always rooting for our school and really care about our fellow classmates that are playing in various sports. We want them to succeed."

No matter the occasion, there is always a good amount of loud and energetic support. Whether it is the Party Chant that leaves the other schools speechless or everyone in the room creating a sea of navy, scarlet, and silver, everyone joins in to make it exciting and memorable.
