

Knightly Talents!

Princess Claire! Claire Temme (8) is the 2024 Douglas County Fair and Rodeo Princess. To gain the princess title, she had to do a series of tests. Some include a riding test, speech, modeling, and more! As a princess, she promotes her rodeo by doing school tours, reading books to young kids, and attending lunch-ins. "There is a lot more behind the smile," she says. "There is so much work put into it." During rodeos she runs with the flag in the arena, and helps everyone out. It's really important to her because you can meet so many people, and it's an amazing experience.

Hockey Madness!

At the age of two, Calvin Parker (8) was put onto the ice. "My whole family played hockey, and I've just been intrigued by the sport ever since," he says. Since that day, his hockey career has boomed. He currently plays for the "Rampage," a team that travels across the country for hockey. Out of his twelve years of playing, he has been on the team for six years. "I really like the sport," he said.
