Clubs are a big part of AHS and the high school experience. Throughout the wide variety of clubs there is something for everyone. Between clubs that pick up sports or clubs that are just meant to bring people together everyone is welcome. Being in a club means committing to meetings, and activities, but it also means making new friends, expanding your circle, gaining new experiences, being risk-takers, and creating memories. Part-taking in clubs is a great way to be more active in the community and overall has unique experiences per club.
