

Calling All Seniors!

Makai Decker, 12

"I want to be a game designer and business manager. As a game designer I would like to make any genre of a game. As for my business I want to start solo and slowly expand."

Donny Truong, 12

"I plan to go to a 4 year college and get a bachelors in business. After high school I plan to leech off my parents till they kick me out."

Julian Jackson, 12

"My plans after high school is to go to a 4 year college to obtain my bachelors degree preferably in finance or business, and after go to law school for another 3 years to get my J.D. and start working as a cooperate lawyer."

Wei Ruan, 12

"I plan to attend a 4 year college to get an engineering degree. After my degree I would like to join the workforce to get enough capital. Then I plan to get a entrepreneurship and stay in engineering or stocks. If all works out, I want to travel around the world."

Julius Reed, 12

"My plans are to go to school for track then double major in business and art or major in architecture whichever is available."

Jorell Sison, 12

"My plans are to go to either a 4 year college or a 2 year college and to get big bands and never stop the grind. After that start spreading some love in this place. Ain't enough love."

Isac Bailey, 12,

"I'm thinking I'll take a year off and figure out what I want to do I'll get a job, then I'll probably go to Pikes Peak State College."

Whats Next?

Savin Motes, 12

"I am going to go to Pikes Peak for the Fire Fighting Program. I plan to continue working, and move out into my own place in town."

Thaddeus Dawson, 12

"I am going to major in Cyber Security at UCCS."

Matthew Lowr, 12

"I plan to take a long summer and start in the winter semester. I'm taking advantage of a free year of community college to get my associates in physics. Then I want to transfer to the University of New Mexico and study nuclear engineering."

Austin Bader, 12

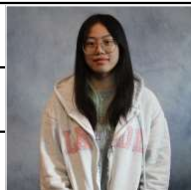

"Hopefully to go to Pikes Peak to get my bachelors in Mechanical Engineering, welding certificates and such. I would like to go back home to South Carolina, for family and because it is where I am from."

Leinani Seto, 12

"I got accepted into Pikes Peak so I will go there for my first years for cyber security then transfer to UCCS. I'll also stay working full time, so it'll just be between school and work. My dream job is any position I can get. I grew up around computers, so I can do it all."

Xiaoyou He, 12

"I plan to go to Pikes Peak for 2 years then transfer. I want to do something with math or science. I'm excited for new things and college life."

Lonnie Pesterfield, 12,

"I plan to either go to vocational school or jump right into an apprenticeship. Learning how to be an electrician is my plan and then making a business out of it."
