"It's hard to win state titles. Winning's not everything, but we play sports to win, and that's one of our goals, to win the games. I think they felt that they left some things out on the course last year, so it was good for them to finally realize this and win," Athletic Director Tom Brieske said.

golfing glory

Senior Nathan Kim shakes Principal Andrew Abner's hand during the winter week assembly Jan. 19. It was the first time in school history that boys golf had won a state championship and an individual state championship. "The experience to be in contention to win state helps a lot to be able to get it done," Charlie Tucker '24 said.

While being honored at the class competition assembly, Varsity Poms smiles for a picture with their State Champion trophy in the gym Jan 19. This was the sixth time in history that the Lady Jags earned a 5A State Champion title and the fourth in five years. "Winning State was a moment like no other, with endless excitement. The training was intense but in the long run, it was worth it." Emily Rausch '25 said.

"The biggest highlight of my high school career this year was hitting a home run in my last bat at Rock Canyon. Also, freshman year I hit a walk off, sending my team to the state final which was a surreal moment," Sydney Boulaphinh '24 said.

"I am most looking forward to getting to play for a national championship and getting to play with/against the best of the best in the nation," Boulaphinh said.
