

MUCH

INFLUENCE

The graph to the left shows what the favorite social media app of our school are. There were 140 students interviewed for the graph. The yellow is for Snapchat, Purple is TikTok, blue means "No social media," pink is for Instagram, and red is for YouTube.

"I love how I can post photos on social media that portray a negative impression on you because they all look perfect and you don't see perfect." *Isabella Hernandez (5)*

"It makes people post good ideas and ideas." *Sara Garrett (8)*

"Social media can make people lazy by encouraging them." *Sam Carter (6)*

"It can affect their mental health and how they interact with others." *Cooper Swain (7)*
