# Odyssey ECCO Music

Odyssey ECCO has so much to offer, however is not a big enough school to have its own respective Choir, Orchestra, and Band programs. The way our students get around this is by dual enrolling at a neighboring District 11 High school. These students do an impressive job balancing College Courses, High-school Classes, AND playing their Instrument or singing. This year we had nearly 20 Students Involved in music programs through either a District 11 High School, an independent program, or a High School out of district.

**Benjamin Heimer, 10** played his Les Paul GT, Beatrix, for musical chairs at coffee house. Ben stated "The highs and lows of my life are turned to music and expressed through my guitars."

"Music is the universal language of mankind."

- Henry Wadsworth Longfellow

**LEFT:** Jonathan Lamphere, 10, screamed his lungs out at What's Left Records with his band.  
**RIGHT:** Jaren Miller's, 9, awesome Flying V and Ibanez guitars.

## PUSHING NEW LIMITS//

These incredible students have not only balanced Odyssey and music, but have taken it one step further by taking on being a big time First.

**Keegan Berry, 9** joined Palmer Marching Band as a baritone player during his first year at odyssey.

**Roman Daniels, 10** became a drum major for Doherty Marching Band as a sophomore. Drum major is usually reserved for Seniors and Juniors.

**Keira Potter, 10** hit an incredible balancing trick by being in Coronado High School's Orchestra and Doherty High School's Marching Band in the 2023-2024 School year.
